KANSAS BULLETIN NO. KS360-17-8

SUBJECT: PER—Length of Service Awards

Purpose: To announce length of service awards

Expiration Date: September 30, 2018

Employees are recognized for length of service in accordance with Departmental Regulation 4040-451-1, dated January 2011. Awards are presented for five years of service and each five-year increment thereafter. Eligibility for these awards is based on total creditable federal service, including civilian and all honorable military service through calendar year 2016.

Frames will only be issued with initial length of service certificates. Subsequent certificates may be placed with the initial certificate in the original frame. Some of the certificate sizes have changed. If the original frame is not the correct size to support the current certificate, the correct size can be ordered through proper channels.

Length of service pins will be issued for all years recognized with the exception of five years. Pins are not available for five years of service.

On page two of this bulletin is a complete list of employees being recognized at this time.
